

Barken Picnic Set

One of the great things about the Barken Picnic Set is the flexibility it gives you. It comes in oak, with a wide variety of finishes and sizes to meet all the requirements to furnish your picnic area. And, as it's manufactured to suit customer requirements it's a great value-for-money outdoor option, too.

Common characteristics: Frame in 30 x 50mm steel tubes, painted on zinc primer in our RAL colours. Hardwood or softwood timber slats, depth 36mm. Wood finish: Water based colour stain preserver in light oak or mahogany tones. Wood uses tamper proof bolts for self-assembly. Low level table available.
