

12M Bromley Cycle Shelter

When you are on a tight budget but you cannot compromise on quality, coverage or security, the 12M Bromley Cycle Shelter is the ideal solution. This cycle shelter provides secure parking for 30 cycles, and can have an integral bike rack.

Available as a standalone shelter or extendable by 4 metre units to suit your requirements, the steel frame is hot dipped galvanised and clad with UV stable PETG sheeting, PETG end panels, a powder coat finish or a brushed satin finish are also available. It's now available in grade 304 stainless steel or 316 stainless steel for more aggressive environments such as industrial or coastal areas, with a brushed satin finish.

All our shelters can be manufactured to be BREEAM compliant.
