

## Buffalo 160 Litre Dual Litter Bin

Part of the popular Buffalo range of litter bins, this 80L Dual Bin is manufactured using zintec steel, using a three-stage degreasing and washing process. It makes it perfect for tough, frequently-used outdoor environments, and stainless steel hinges, locks and strike plates add even more protection - resulting in a robust, quality product.

Optional features include a key operated or self-opening gum and ashtray stubbing plate; anti-graffiti paint, vinyl personalisation, pyramid top, root fixing plate, and 3mm wall thickness. There are various colour choice options available too - even split colour if required!
