

Buffalo Litter Bin Pyramid Top

Part of the popular Buffalo range of litter bins, this is manufactured using zinc steel, using a three-stage degreasing and washing process. It makes it perfect for tough, frequently-used outdoor environments and features a host of standard features including:

Gold backed LITTER punched beneath apertures. Gold vinyl trim and vinyl Tidyman. Three stainless steel pivot hinges, pivoted on a 20mm S/S rod. Four apertures large enough to accommodate fast food waste including pizza boxes and burger cartons. 1 x 120 Litre galvanised liner. Full height and width door for easy removal/emptying of liner. 4 x fixing holes in base and additional drainage holes. Static liner guides assist easy liner removal and repositioning. 10mm base. Self-emptying ashtray which empties when the door is opened.

As you can see, this is an outstanding product and really cost-effective too. It's also available 80Ltr 100Ltr and 160Ltr versions.
