

## Concrete End Timber Table

A sturdy and popular choice for when you're looking at an outdoor seating and eating option. The Concrete End Timber Table boasts preservative treated softwood timbers from sustainable renewable sources, and has set concrete end pieces.

Due to its 250kg weight this product is free standing, but for added security, a floor fixing kit is available. Also available in a 10 seater option, if you're on the hunt for a hard-wearing, low maintenance, sociable seating outdoor eating solution, then this is an excellent option.
