

## Double sided scooter rack no locking bar

Do you want a cost-effective, durable scooter rack that is absolutely perfect for schools or public parks and has capacity for up to 20 scooters? The Double Sided Scooter Rack without locking bars, is surface mounted and manufactured from mild steel and then hot dipped galvanised as standard, making it ideal thanks to its toughness and durability.

This scooter rack has a powder coating in a range of RAL colours available and is a great option for outdoor spaces that are frequented by scooter users.
