

Safety Hoop Barrier

If you're looking for a specially designed barrier for protecting your staff and machinery in the work place, then look no further than our Safety Hoop Barrier. Manufactured from 50mm diameter steel tube and available in three versions, this is a standard hoop barrier with additional reinforcement bar and protective panel.

Cast aluminium base plates and reinforcement bar brackets give it a real sturdiness, whilst it features standard hazard warning colours - yellow with black self-adhesive stripes.

Guide Price: £90.00

L: 1250mm x D: 50mm x H: 1000mm x Dia: 50mm
