

Double sided scooter rack with locking bar

Scoters are proving an increasingly popular and fun method of transport for both children and the not-so-young alike, and the Double Sided Scooter Rack with Locking Bar will keep scooters secure. Our scooter rack is manufactured from mild steel and then hot dipped galvanised as standard to create an excellent and durable scooter rack that's perfect for any outdoor space.

Used extensively in any number of schools and public parks, this 20 scooter capacity scooter has a powder coating to most BS or RAL colours available. Surface mounted, it comes with a locking bar.
