

Double Sided Woking Seat

Ask yourself what you want from your outdoor seating: We'd guess that stylish, versatile and durable would be amongst your first answers. That's exactly what the Woking Double Sided Seat offers. It's absolutely ideal for busy public spaces such as town centres, schools and colleges, and is also available in a single-sided version too.

The design creates a stylish, modern double-sided street seat. With a frame that is galvanised and powder coated to any RAL colour of your choice, and with timber slats available in hardwood or softwood, this is a great addition to any area in which it is placed.
