

## Benfield Cycle Shelter

The Benfield Cycle Shelter is one of our most versatile shelters due to the fact that we manufacture this to your specific requirements. Suitable for a wide variety of applications such as cycle and motorcycle parking, and waiting and smoking areas, the Benfield Cycle Shelter has a steel frame that is hot dipped galvanised as standard and can be powder coated in a wide range of colours.

Clad in 5mm 10 Year UV PETG clear view sheeting, like all our shelters the Benfield can be manufactured to be BREEAM compliant making it a flexible option when looking at cycle shelters for your outdoor space.

Manufactured to suit customer requirements
