

Bexley Canopy

The Bexley Canopy is manufactured in a mild steel frame, hot dipped galvanised as standard and can be powder coated in a wide range of RAL or BS colours. It's a contemporary looking canopy that will suit a wide range of outdoor spaces and environments, and it consists of a flat monopitch roof with a 5 degree fall, clad with UV stable PET sheeting (rainwater gutters can be included). Available as surface mounted or sub-surface fixed.

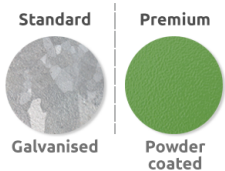

Manufactured to suit customer requirements
