

Brandon Canopy

Manufactured to suit customer requirements, the Brandon Canopy is constructed from a mild steel frame, hot dipped galvanised as standard and can be powder coated in a wide range of RAL or BS colours.

The roof is clad with UV stable PET sheeting, and this canopy is a popular and flexible member of the Bailey Streetscene range of products and is available as surface mounted or sub-surface fixed, ideal for a wide variety of purposes and spaces and protecting customers, employees, or pupils from the weather.
