

Columbus Canopy

Including an integral gutter system to provide a streamlined and efficient canopy system, the Columbus Canopy is available as a surface mounted or sub-surface fixed canopy. Constructed with a mild steel frame, hot dipped galvanised as standard and can be powder coated in a wide range of RAL or BS colours. The roof is clad with UV stable PET sheeting.

Manufactured to suit customer requirements, this is a versatile, contemporary canopy solution that is ideal for a number of outdoor and street furniture environments.
