

Dudley Smoking Shelter

If you're on the look-out for an aesthetically pleasing smoking shelter with a classic design, the Dudley Smoking Shelter is a great option. Especially as it can be manufactured to suit your specific requirements.

The steel frame is galvanised and can be powder coated in a range of RAL colours. Cladding is 4mm PET clear view as standard. Roof end sections are perforated steel to allow greater air flow, and an extension unit available. Optional seating and cigarette bins are available, too. This shelter offer smokers protection from the wind and rain whilst at the same time complementing the landscape surrounding any building.

All our Shelters can be manufactured to be BREEAM compliant.
