

## Longbridge Trolley Bay

Both stylish and versatile, the Longbridge Trolley Bay is one of the UK's favourite retail park choices. That's because it is easily modified to make ideal smoking and cycle shelters which have become a popular installation within many high-profile companies along with many other independent retailers.

The single and double bay trolley shelters feature an aluminium framed external shell with UV stable polycarbonate roof and side panels providing durable fade and impact resistance.

The contemporary curved structure includes internal fitted protective barriers to reduce the risk of impact damage, giving you a trolley bay that looks great in any outdoor environment.

Features: Aluminium Frame Polycarbonate Roof and side panels Cw Internal Protection Barriers. Surface Mounted.

L: 4013mm x D: 2200mm x H: 2420mm
