

Moreton Gullwing Shelter

A contemporary and stylish looking outdoor bike storage solution, this is a great option whether your need is to house 20 or 200 cycles making the Moreton Gullwing Shelter a popular design of choice with our customers.

Its steel structure is hot dipped galvanised and powder coated and roof cladding can be in Plastisol or PET clear view sheets, whilst rainwater drains through uprights to soak away in ground. Leaf guards are available to protect guttering from obstructions.

Choice of cycle stands available.

All our Shelters can be manufactured to be BREEAM compliant.
