

Motorcycle and Bicycle Stand

Giving you the option of securing either form of two-wheeled transport, the Motorcycle and Bicycle Stand is available in two finishes: galvanised steel with black caps (RAL 9005) as standard or galvanised steel powder coated in a choice of RAL colours. The choice is yours.

The Motorcycle and Bicycle Stand is to be concreted directly into the ground, has 2 no optional decorative base covers, and its posts are finished with a choice of 4 top caps: City, Agora, Sphere or Europe. It's a reliable and hard-wearing, flexible choice for any outdoor space that is hosting motorcycles/cycles.
