

Orion Stainless Steel Seat

If you are looking for an elegant yet dependable low maintenance seating solution, then here's your answer. The Orion Stainless Steel Seat is a superb 1200mm internal diameter seat which is an extremely popular choice for a variety of public spaces.

Constructed from grade 304 stainless steel slats, a 30mm x 5mm flat bar and 60mm diameter tube supports all with a brushed satin finish. Surface mounted or root fixed this bench is also available in grade 316 stainless steel for more aggressive environments such as industrial or coastal areas.

Optional extras include arm rests and a bright polish finish, ensuring that this is a classic bench with a contemporary look for your outdoor space.

Price Shown is for Grade 304 Stainless Steel for Grade 316 Stainless Steel
