

## Retiro Seat

Named after the stunning public park in the centre of Madrid, the Retiro Seat is a classy outdoor seating solution. The frame is ductile iron treated with a unique protector which guarantees a high resistance to corrosion and is finished in grey forge colour, whilst the seat base and back rest are formed with timber slats.

The seat's timbers are treated with a preservative and are water proofed, and it has a natural colour finish. With fixing bolts concealed in the feet for ground fixing, the Retiro Seat is also available in a 3 metre long version.

L: 1800mm x D: 550mm x H: 850mm

## Materials, Finishes & Options

### Timber

Available in the options below; for further details on our timber visit our [materiality page >>](#)

### Fixtures

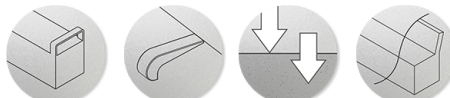

This Product can be customised with a range of optional fixtures. If you have any further bespoke requirements **get in touch**, our sales team will be happy to help.
