

## Stainless Steel Slatted Bench

The Stainless Steel Slatted Bench is an elegant low maintenance seating solution suitable for most outdoor environments. Constructed from grade 304 stainless steel or grade 316 for more aggressive environments such as industrial or coastal areas, this bench has base plates drilled with 4 holes for ground anchors, root fixed option available.

Available with armrests and a bright polish finish, this is a prominent and popular product for clients looking for an efficient, durable, cost-effective solution to their outdoor seating problems.
