

# Chemical Dosing Tanks

Endurataank's Chemical Dosing Tanks come in six sizes and are specifically designed for use within the water treatment and purification industry and for chemical dosing and storage applications. Tanks can be supplied with an outer bund for additional environmental protection security and as an optional extra. Our Chemical Dosing Tanks incorporate a stepped lid (raised upper section) to allow for the fitting of a chemical dosing pump.

# Chemical Dosing Tanks

## 400 Litre to 1500 Litre
