

Bloc sunbench

The BLOC sunbench has the same diagonal fold that is the instantly recognisable feature of the entire BLOC range of furniture. The sunbench is free-standing and can stand alone or be joined in rows, with the foot end/seat in varying lengths.

The steel details are hot-dip galvanised (901) and designed for long-term use. Choose from nearly 200 different RAL colours for powder coating (900). Available in COR-TEN (Corten) steel (903). All screws and fittings are supplied in acid-resistant or stainless steel.

Products with wood comes with linseed-oil-impregnated PEFC-certified pine from Scandinavia. Hot-dip galvanized and powder-coated standard products with wood can also be supplied with Kebony Radiata®. Oiled oak or ash recommended indoors.

Net price from 1,880 EUR

Other types of wood are available on request.
