

## Vroom bench

The VROOM bench can be supplied with or without a backrest and armrests. It is free-standing, but can be bolted down. Choose between straight, curved or square ends. The bench comes in two standard widths and can also be wall mounted or installed on top of a wall.

The steel details are hot-dip galvanised (901) and designed for long-term use. Choose from nearly 200 different RAL colours for powder coating (900). VROOM is also available in COR-TEN steel (903). All screws and fittings are supplied in acid-resistant or stainless steel.

Products with wood comes with linseed-oil-impregnated PEFC-certified pine from Scandinavia. Hot-dip galvanized and powder-coated standard products with wood can also be supplied with Kebony Radiata®. Oiled
