

April chair

April chairs can be supplied with a back and armrests that meet universal design requirements.

Net price from 390 EUR

The chairs can be supplied free-standing or for anchoring with a baseplate (A), wall mounting (B) or concreting in (C). The swivel version (S) of the chair lends a playful, practical aspect to its surroundings. APRIL chairs can also be supplied for installation on wall tops (MK), with or without a backrest and armrests.

The steel details are hot-dip galvanised (901) and designed for long-term use. Choose from nearly 200 different RAL colours for powder coating (900). All screws and fittings are supplied in acid-resistant or stainless steel.

Products with wood comes with linseed-oil-impregnated PEFC-certified pine

from Scandinavia. Hot-dip galvanized and powder-coated standard products with wood can also be supplied with Kebony Radiata®. Oiled oak or ash recommended indoors. Other types of wood are available on request.

Seats and backs can also be supplied in perforated, hot-dip galvanised steel (P), with or without powder coating.
