

Vroom litter bin

VROOM litter bins come in a range of different models and sizes (40, 80 and 140 litres). They can be either free-standing with an integrated concrete base or wall mounted. Choose between flat or grooved fronts, possibly in different colour combinations.

The steel details are hot-dip galvanised (901) and designed for long-term use. Choose from nearly 200 different RAL colours for powder coating (900). The BLOC litter bin is also available in stainless steel (902) and COR-TEN (Corten) steel (903). All screws and fittings are supplied in acid-resistant or stainless steel.

Net price from 660 EUR
