

Mingle Picnic Table

The 35 Collection is the next generation of outdoor furniture for the way we live, work, learn and play. Mingle is an open and inviting seating system that brings everybody together. The Mingle is a perfect solution to help introduce informal interaction and information sharing that builds relationships and culture in public spaces. Mingle takes an off-centre approach to attached tables and seating. The graceful continuity of its structural frame is open and inviting, imparts a sense of energy and flow, and makes it very easy to get in and out.
