

Nuvola Table

The Nuvola Table is made up of two solid corten steel supports, completed with spacing supports in corten steel. The surface is made up of five sections of timber slats, fixed to the structure with twenty stainless steel round-headed screws. Nuvola is available in double-coated timber: the first coat is a base insulating spray and the second finishing coat is a water-based varnish for outdoor use.

Specification:

Materials:

Top - timber

Supports - corten steel; powder coated steel

Dimensions

H: 710mm

W: 1840mm

D: 570/714mm
