

Scarborough Litter Bin

Scarborough Park Litter Bins are durably constructed and feature metal side panels and a spun metal top to meet the demands of active public spaces. Choose from a vertical strap or square bar side panels. Top- or side-opening receptacles may be specified. The litter bin lid lifts up and swings to the side for easy litter removal. An optional keyed lock may be added for security, and an optional ash pan may be specified for the side-opening receptacle. The 113 Litre polyethylene liner coordinates with specified powder coated colour. Available as a free standing or root fixed litter bin.
