

Bravo Boom

The Bravo Boom Litter bin is a simple cylindrical steel container with a laser cut mesh decoration which allows visibility of the contents. The litter bin is equipped with a bag holding ring with snap closure. It can be supplied with a steel tube pole, supporting up to 3 baskets with/without cover, or with a bracket for mounting to a wall or to a pre-existing pole. Pre-drilled for anchors.

Dimensions

H: 1140mm
W: 330mm
D: 496mm
