

## Hill Litter Bin

Modular collection of square litter bins composed of steel sheet structures and opening lids. Two versions are available: one equipped with conveyors and bag holder ring, the other with a lid with holes, suitable for the separate collection of plastic cups. The litter bins can be placed side by side, through a spacer, to create islands for separate collection.

### Materials

Powder coated steel

### Dimensions:

L: 300mm  
D: 300mm  
H: 730mm  
Weight: 10kg  
Capacity: 10L
