Feedback From Our Client

My neighbour and I decided to change from a gravel drive, we shopped around for something to complement our caravan park and the surrounding homes — as well as the granite sets we wanted to keep.

Black was our only option until we came across NatraTex where we were given a selection of colours to choose from. We decided on Cotswold as it was clean and complimentary of the magnolia of our homes. Very happy with the professional workmanship.

- John and Dave. Cottage Park, Ross-On-Wye
