

ARC One Swivel Turn & Learn™

Summary

The popular ARC Swivel had been adapted to deliver turn and learn functions with either an integrated A3 Wrimatic tablet or a fixed writing ledge.

The chair will rotate through 360 degrees to enable collaborative learning and sharing; and is the preferred choice for many UK universities due to its comfort, durability and versatility.

Specifically designed for comfort, function and versatility the ARC is ergonomically shaped with a contoured back and this range focuses particular attention on lumbar support and correct posture.
