

RailSeat ARC

Developed as a way to allow fans to stand safely at domestic club matches and be seated at international and European matches.

The enhanced design of Ferco's RailSeat ARC features a contoured seat for enhanced comfort with a cranked standard, allowing more head room when seated. The RailSeat ARC enables fans to stand safely, whilst having the option to revert to seating when regulations require.

Featuring Ferco's ergonomically designed blow-moulded ARC Lite within a high-strength metal rail – the RailSeat offers a safe way to stand and comfort when seated.

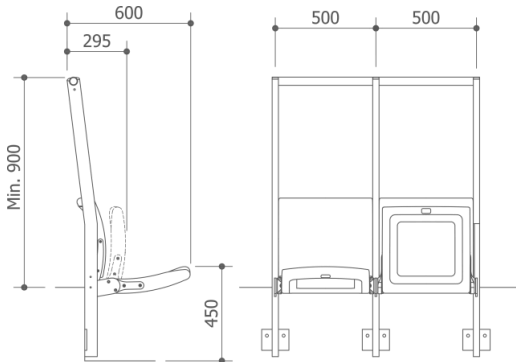

- Variable widths
- RAL matched club colours
- Variable Height
- Floor mounted
- Riser mounted
- Seat numbering

RailSeat ARC

DIMENSIONS

Centre to Centre :	500
Backrest Height :	1175
