seating made better

Investment in luxury seating is being embraced by exhibitors around the world from the large multiplexes to the boutique operator.

Premium seating greatly enhances an audience's experience, resulting in increased client satisfaction, loyalty and retention.

Cinemas are powerful spaces. People go to be entertained. To be carried away by stories. To lose themselves in the world on the screen.

The right space creates the ultimate audience experience. That is why we're so passionate about designing the seating that fills these spaces.

Looking at the big picture, we focus on the details of design. We love aesthetics but we're not just about design that looks great, we're about design with purpose.

We are passionate about working with you to create a beautiful cinema space that delights your audience and increases customer loyalty.

Attention to details, work ethics, expertise - you can see it in every one of our seats. This is the heart of our company.

mission

exceed customer expectations
live by design
inspire a happy team

Premium

Cinema is in a period of exciting change and fundamental to operator success is the ability to maximise revenues and retain customers.

With this in mind, Ferco has developed the Premium Collection.

Luxurious electric recliner seats, which can be customised to suit the aspirations of individual cinema operators, including privacy booths, individual integrated tables and iPads to enable remote ordering of food and beverages.

The Ultimate. No less.

seating made better

Reading Cinema, Australia
Model: Premium Verona

Turino

An opulent, fully-reclining cinema chair in a classic, quintessentially British design.

With enhanced cushioning, the Turino is the ultimate in cinematic comfort and shares optional features with the Premium Verona.

This model is available as individual, or twin seats, single or dual motor operation with space to include a pedestal table.

The perfect choice for state-of-the-art home viewing rooms and luxury boutique cinemas.

fully reclining

Verona Dual Motor

The Verona is a fully reclining cinema chair designed for maximum comfort and style.

Beautifully crafted and available as a single seat, a twin seat or a link-seat with shared armrests.

Two individual motors control the footrest and backrest separately, allowing any user to adjust their reclining position to precisely their own comfort level.

The Verona includes a footrest sensor, so no hands or valuables get caught in moving parts.

The optional easy-lift system gently and effortlessly tips the seat forward to enable cleaning and maintenance. Automatic underseat lighting provides a visual aid whilst doing so.

Other optional features include integrated tables, integrated cupholders and USB charging point.

integrated USB charging point

Verona Zero Wall

Specifically designed for cinemas where capacity and comfort are of equal importance.

Clever design enables the backrest to recline into the space created by moving the seat base forward simultaneously.

As there is no gap left behind the seat, the requirement for safety handrails is negated, resulting in lower capital expenditure and a more pleasing aesthetic.

The Verona Zero Wall saves space and ensures that you maintain audience capacity. Whilst also delivering the same luxuriousness and feature options as the Premium Verona model.

A premium enclosure panel can be added to create a feeling of exclusivity and home from home ambience. Integrated lighting helps clients locate items and read menus.

Verona Zero Wall with premium enclosure panel

Verona Lite Zero Wall

All the luxurious comfort of the Premium Verona without the space requirements.

The Verona Lite has a motorised backrest which will enable it to fit into many existing premium areas, improving audience capacity and reducing capital expenditure.

It comes with a choice of a single seat, twin or link seats.

Customisation and additional features mirror that of the Premium Verona.

Perfect for smaller cinema spaces.

link seat

Milano

Like the city it was named after, the Milano is all about style.

It can be a fixed-seat or with electric controls for operating the footrest and / or backrest.

Easy. Comfortable. Stylish.

Available as a single, twin, or link seat. Milano comes with a range of options and additional features.

Perfect for any cinema venue.

Milano Zero Wall

The stylish Milano is also available as a 'Zero Wall'.

This luxurious motorized cinema seat reclines into the space created by simultaneously moving the seat base forward.

All the motion happens internally, allowing you to place the seat directly against the wall or riser.

Available as single seat, twin, and link seat.

Milano can be purchased with a single or dual motor.

Lucca

The Lucca range is a sleek and streamlined aesthetic for modern cinemas.

It is both available in fixed-back and Glide version, as a single, twin or linked seat.

The shaped form upholstery provides ergonomic support for a comfortable sitting position.

The Glide has an innovative internal mechanism that allows the seat to intuitively glide into a reclined position as you lean backwards, without the needs for motors or controls.

Glide

Opus

We have spared nothing in giving you the maximum sitting comfort.

An economical seating solution, this market leading seat offers the ultimate in comfort.

This seat has a removable cover feature that can easily be remove by means of a zipper.

The innovative easy to adjust backrest pitch makes it simple to adjust to your desired sitting comfort.

Link seat

Opus Plus

Comfort refined.

Designed for comfort, the Opus Plus is a fixed-back seat constructed using premium quality materials.

This product combines luxury design and luxury seating position that can be configured into a single or linked seating arrangement.

As part of the Opus range, the Plus has numerous features and customisable options.

Link seat

Opus Glide

The Opus offers an ergonomic reclining solution . The back and headrest are made from generous super-soft foam and fibres, creating a superior seating position.

The Opus glide's innovative sliding design, responds to your movements to glide effortlessly into the most comfortable position, whilst maintaining the lumbar support.

This operates without the need of electric motors and available in single , or link seat configuration.

seating made better

Colosseum kino, Norway
Model: Paragon 755NB

Kids seats

Aladdin

Our Aladdin lounge is made for children. Its functionality and special seating position make it the ideal place to relax and enjoy the film. The kids in the cinema will love having a special place to sit that is all their own!

These seats also make great overflow seating for little guests. A new product line that is ideal for the first rows in cinemas.

Dory

The Dory is made specifically for children.

It is the perfect miniature version of our premium cinema seats.

With the focus on comfort with deep-filled, super-soft foam back and seat, the Dory is the new addition to cinemas catering for younger visitors.

The bright and bold aesthetic makes a statement.
