

Product Detail

Part of a complete coordinated range of affordable, robust and attractive outdoor furniture. The timber slatted and galvanised nylon coated framed Bramley range is designed with a matching slat width of 170mm and offers a wide choice of fixing options. Non-standard sizes can be manufactured throughout the entire range.

Available in a variety of timbers with either pedestal base or ground fixings. The Bramley Seat can be constructed to butt and mitre at any angle (special order).
