

WHERE EXCELLENCE
IS TRADITION

HERAS[®]
U.K. FENCING SYSTEMS

Leading UK manufacturer of fencing and gates

Triton System

Profiled Welded Mesh Fence

Let us inspire you
www.heras.co.uk

A modern stylish welded mesh fencing system. Also available with a Perimeter Intrusion Detection System.

Triton System

The Triton fencing system is ideal where security is required but without an oppressive and intimidating appearance. It is designed to be resilient and yet remain unobtrusive and elegant. This system is capable of blending into its environment or enhancing the surroundings as a design feature.

▶ Triton – Designed to be resilient and yet remain unobtrusive.

Specification

Triton panels are manufactured from nominal 5.0mm dia. thick steel wire profiled horizontal sections that significantly increase the rigidity of the panel. The mesh itself is 55mm x 200mm, fully welded at every intersection.

The panels have a barbed edge and a flush edge. The client has the option of installing the barbed edge at the top of the fence, as a deterrent to climbing, or at the bottom, for example where the fencing is one of the lower heights in a playground situation. Please be aware that if you require the barb down option then an inverted clip will need to be ordered.

The width of the Triton panels suits post centres of approx. 2500mm and the following heights are available as standard:

TYPE	PANEL HEIGHT	NO. OF PROFILE SECTIONS	NO. OF CLIPS PER POST
TRITON 100	1.03mtr	2	5
TRITON 120	1.23mtr	2	6
TRITON 180	1.73mtr	3	5
TRITON 200	1.93mtr	3	6
TRITON 240	2.33mtr	3	6

Post and Panel Fixing

Standard Swing Gate sizes and openings to suit the Triton system

GATE WIDTH	LEAF TYPE	90° OPENING		180° OPENING	
		BETWEEN POSTS	OVERALL POSTS	BETWEEN POSTS	OVERALL POSTS
1200mm	S/L	1265mm	1425mm	1205mm	1365mm
3000mm	D/L	3120mm	3280mm	3000mm	3160mm
4000mm	D/L	4120mm	4320mm	4000mm	4200mm
5000mm	D/L	5120mm	5430mm	5000mm	5300mm
6000mm	D/L	6150mm	6420mm	6000mm	6300mm
7000mm	D/L	7150mm	7510mm	7020mm	7380mm
8000mm	D/L	8150mm	8510mm	8020mm	8380mm
9000mm	D/L	9150mm	9550mm	9020mm	9420mm
10000mm	D/L	10150mm	10550mm	10020mm	10420mm

Gate Infill

Flat mesh is welded into our standard Heras gate frame for added security.

As well as swing gates Heras also supplies a range of cantilever and tracked sliding gates.

Full specification details and drawings are available on request, please contact our sales office for more information.
