## Staging for Schools

**CPS**  
EST. 1966

# CPS Staging

CPS is a family business which has been supplying the education market since 1966.

We have a range of staging which has been specifically designed for schools just like yours.

Please take the time to look through our brochure and feel free to contact us to discuss your requirements.

## The Benefits

### The company

- Family business established in 1966
- Helpful and friendly service
- Site surveys and in-school demonstrations
- In-house engineer design service available.

### The product

- Adaptable to many applications
- Lightweight and easy to assemble
- Compact for ease of storage
- Designed to minimise system noise
- High quality design for long-term investment.

## How to Choose Your Stage

Once you have decided the overall size of the stage you require

- 1 Choose a **platform size** from the option below.
- 2 Select the most suitable **platform type** from page 6.
- 3 Decide from the options on page 7 to provide the **finishing touches**.
- 4 Choose steps, handrails and **accessories** from page 8.
- 5 Finally add **backdrop curtains** and **scenery flats** from page 10.

## Platform Size Options

### 2 x 1 metre

The quickest and most cost effective way to assemble a stage.

### 1 x 1 metre

Ideal where ease of handling is the main priority or storage space is at a premium.

# Platform Types

## Alu Rapid

Our most popular range for schools

- Easy to assemble, quiet in use
- Lightweight yet rigid and strong
- Compact for storage
- Virtually any shape, size, or height available.

## Alu Rapid Junior

- Lighter construction for easier handling
- Suitable for applications of lighter use and where heavy loads are not required (ie. pianos).

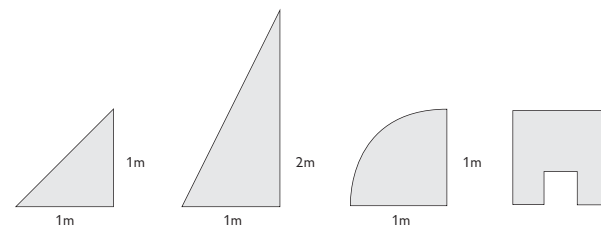

## Alu Combi

- 2 x 1m standard size
- Multi-level deck with integrated scissor action legs
- Standard heights of 200, 400, 600, 800 and 1000mm.

## Platform shapes

Virtually any shape can be made on request including tailor made units for fitting around columns etc. using Alu Rapid or Alu Rapid Junior platforms.

# Finishing Touches

## Stage surface

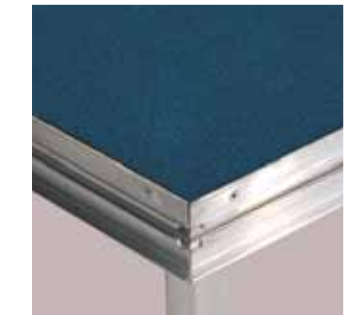

Standard brown

Standard black

Clear hardwood veneer

Inlaid carpet – choice of colour

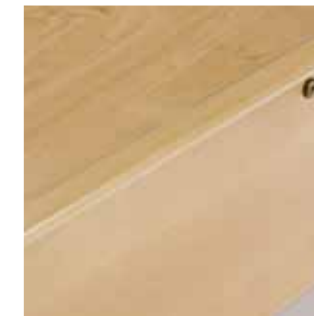

Additional cost options include lacquered surfaces, carpet, vinyl, waterproof finish etc. Please enquire for details and prices.

## Stage edging

Colours are indicative only.

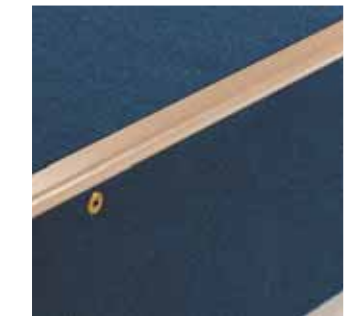

Valance – choice of colour

Hardwood fascias – lacquered as standard

Standard plywood

Carpeted – choice of colour

Storage	up to 20 high	up to 20 high	up to 20 high		up to 8 high

# Stage Accessories

## Steps

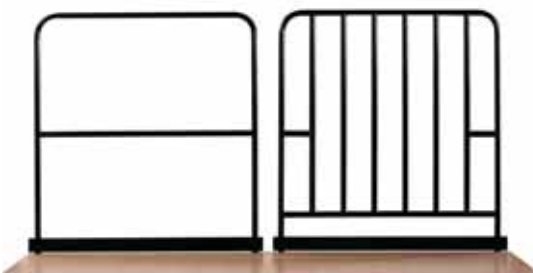

Multi-height system steps with anti slip surface

Timber step units manufactured to suit.

## Handrails

Standard

Infilled

### Design note

A full range of handrails are available including a heavier duty option. Please seek the advice of your health and safety advisor as to the type of handrail required in relation to your intended use.

## Chair holding border

Edge stop for tiered decks.

## Wheelchair ramps

Designed to suit your needs.

## Stage Connectors

Easy to use deck connectors provide positive lock-up and eliminates movement between decks.

# Storage and Transport

Alu Rapid decks store in a self contained stack to a maximum of 20 high, that's 40m<sup>2</sup> of staging into just 2m<sup>2</sup> of floor space! Alu Rapid transport kit includes heavy duty wheels, towing handle and a strap.

1m x 1m platforms

1m x 1m platforms stored as a display

# Seating

A range of fixed seating and folding / stacking chairs are available. Please enquire for details.

## Bench seating

Tailor made to suit your requirements.

## Venue chair

Available with arms and writing tablet.

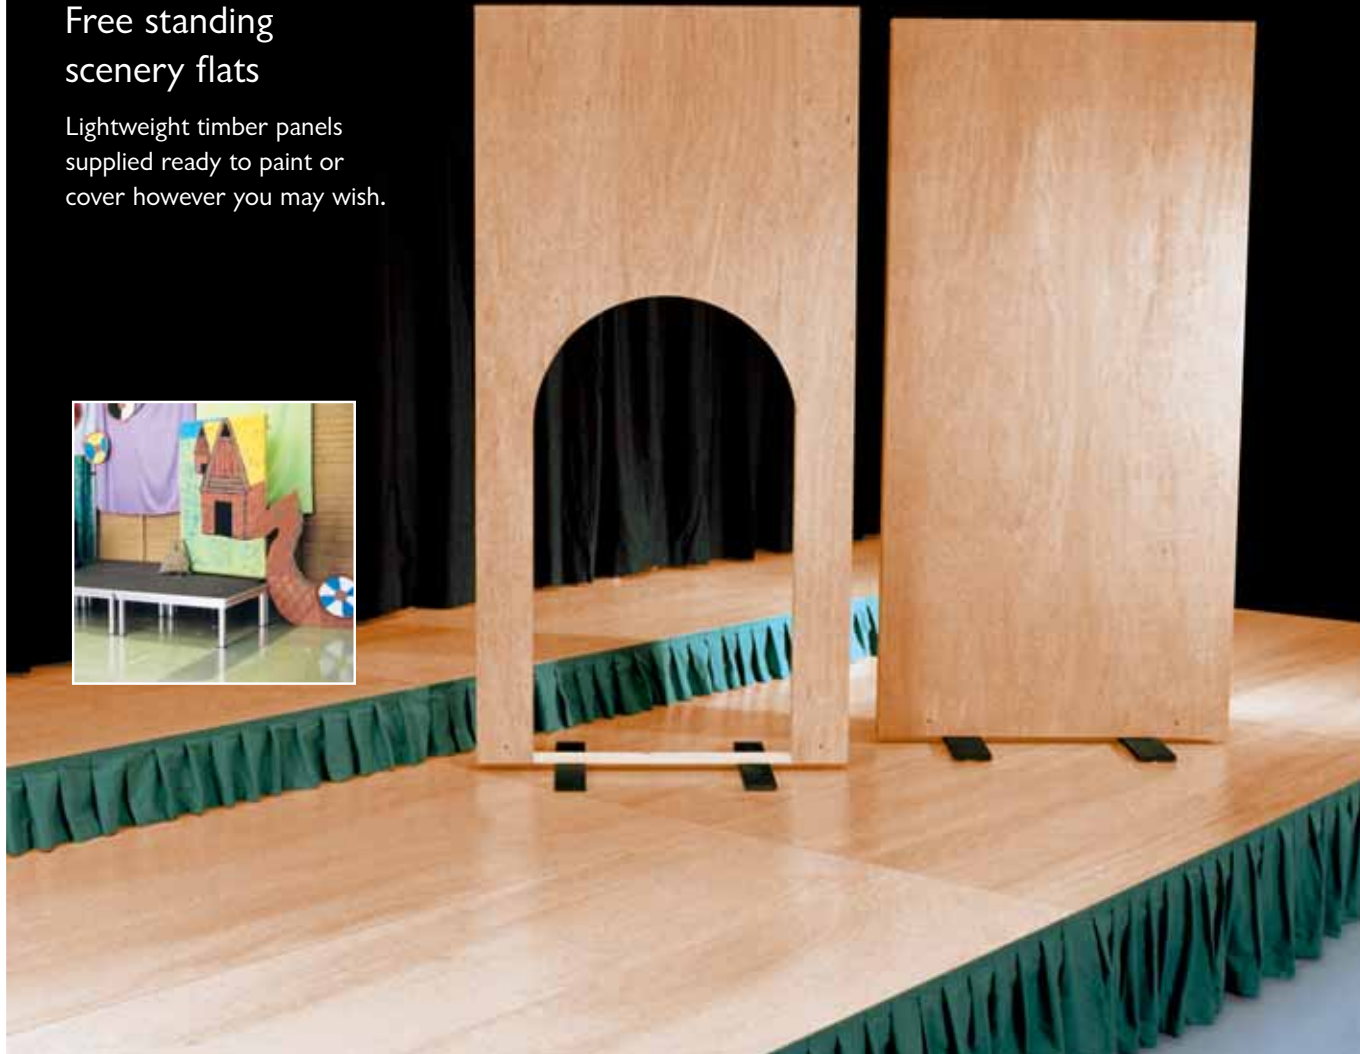

## Set and Scenery

For you to add the creative touch

### Free standing scenery flats

Lightweight timber panels supplied ready to paint or cover however you may wish.

Stage mounted

Back drop curtains

Curtain systems tailor made to suit your requirements. A choice of colours is available on request.

## Studio Stage

The 'little' stage for your 'big' event

Studio stage offers a lightweight, easy to assemble theatre curtain system for school halls and drama departments.

Studio Stage can be supplied as a complete package including the Alu Rapid platforms or can be added to any of our systems retrospectively. Sizes and colours can be individually tailored, a typical stage size being 4 x 4 metres.
