### National Trust landscape collection

We have pleasure in presenting the National Trust landscape collection - ranges of paving and landscaping products of unrivalled quality and character influenced by National Trust properties and gardens across the country. The collection offers the discerning home owner products that reflect the best of our nation's landscape tradition.

Our flagstones, tiles, fine aggregates and garden artefacts help to create stimulating and evocative outdoor spaces. Crafted with meticulous attention to detail, our products are faithful reproductions taken from historic originals. With products from the National Trust landscape collection your property can be infused with the charm, style and character of the great British garden.

The National Trust have been working together with established reproduction paving company Westminster Stone to create a collection of authentic paving and landscaping products, inspiration for which has been drawn from properties and landscapes cared for by the National Trust.

We've been dedicated to protecting our countryside and heritage since 1895 and these products have been carefully selected by Westminster Stone to meet our ethical and environmental standards. As a charity we rely on the public to help us look after this country's special places - for ever, for everyone.

## Cotswold Manor

The Cotswold Manor range takes its inspiration from the famous National Trust gardens at Hidcote and Snowhill. The range reflects the warm mellow tones of traditional Cotswold buildings.

**Hidcote flagstones** Crafted to capture the fine detail of authentic Cotswold flagstones, they create a rich, open-textured paving full of the character and tradition of Hidcote Manor.

*Flagstone sizes: 900 x 600mm, 900 x 450mm, 750 x 600mm, 750 x 450mm, 600 x 600mm, 600 x 450mm, 600 x 300mm, 450 x 450mm, 450 x 300mm, 300 x 300mm*

**Snowhill shingle** This Cotswold shingle of mellow buffs and weathered greys has been chosen to complement the Hidcote flagstones.

*Shingle sizes: 10mm fine shingle and 20mm gravel*

**Cotswold trough** The attractive trough may be planted or filled with water to create a useful and subtle feature within a garden or courtyard setting.

*Trough size: 970 x 330 x 255mm*

Most paving products are available in individual sizes, per m<sup>2</sup> and as 5 or 10 m<sup>2</sup> project packs.

All aggregates are available in 15 kg handy bags or in bulk bags for larger projects.

## Roman Villa

The Roman Villa range contains tiles and edgings capturing the essence of the Mediterranean landscape. The designs have been inspired by Romano-British mosaics and paving at National Trust sites across the country.

**Chedworth tile** These square tiles are based on antique terracotta originals. Available in burnt terracotta and ash black, they can be used to create single tone panels or combined to create a variety of patterns.

*Tile size: 420 x 420mm*

**Chedworth triangle** These small triangular pavers reflect the mosaic floors found at Chedworth Roman Villa in Gloucestershire. Available in honey and burnt terracotta, they may be combined with the tiles and edgings to form authentic features and panels.

*Triangle size: h280 x w255mm*

**Edgings and insets** The narrow edging tiles in honey-colour and ash black and the small inset squares in ash black, are perfect for use along with the Chedworth tile and triangle to create variety of mosaic patterns.

*Edging size: 420 x 140mm*

*Square size: 140 x 140mm*

**Tile and brick chippings** This eco-friendly crushed tile and brick chipping which complements the Roman Villa range can be used in various settings including terraces, borders and pathways.

*Chipping size: 10 - 14mm*

## Country House

The Country House range offers a touch of classic garden heritage inspired by the grandeur and formality of the nation's finest stately homes.

**Petworth flagstone** This reproduction Yorkstone has great character and authentic detail evoking the spirit of bygone days. The flagstones have a smooth worn texture with warm olive and subtle grey tones. They can be laid randomly, or coursed across pathways.

*Flagstone sizes: 900 x 450mm, 750 x 450mm, 600 x 450mm, 450 x 450mm, 450 x 300mm*

**Tatton courtyard cobble** The cobble replicates the traditional charm of the country house courtyard. It can be used in a variety of settings including pathways, drives or as an edging to a border or paved area. The cobble's character and blend of colours complement the texture and hues of the Petworth flagstone.

*Cobble sizes: 225 x 375mm, 225 x 300mm, 225 x 225mm*

**Kerbstone** This distinctive kerbstone is designed to complement the flagstones and cobbles in the range. It provides the perfect edging to driveways, paths and planting beds.

*Kerbstone straight: 600 x 100 x 130mm*

*Kerbstone Corner: 300 x 100 x 130mm*

**Tatton shingle** The Tatton shingle is a subtle blend of pinks, browns and greys and is ideal for paths, driveways and other areas created using the products in this range.

*Shingle sizes: 10mm, 14mm and 20mm*

## Kitchen Garden

The Kitchen Garden range is designed to reflect the traditions of these wonderful working gardens so often found at National Trust properties. The collection includes products full of warmth and character suitable for many garden settings.

**Barrington flagstone** This distinctive flagstone is reminiscent of those found within the grounds and kitchen garden at Barrington Court, Somerset. The flagstones in warm beige brown hues are best laid randomly for an authentic traditional feel.

*Flagstone sizes: 750 x 450mm, 600 x 600mm, 600 x 450mm, 600 x 300mm, 450 x 450mm, 450 x 300mm, 300 x 300mm*

**Brick paver** These mellow brick pavers which encapsulate the spirit of the kitchen garden are ideal for pathways, decorative panels within larger paved areas, and border edgings. The pavers can be laid coursed, in basket weave or herringbone patterns.

*Brick paver size: 260 x 125 x 40mm*

**Millstone** This compact granary millstone has been authentically moulded from a reclaimed original. The millstone can be set within planting or used to create a subtle water feature, creating that finishing touch to the garden.

*Millstone size: 370mm diameter*

**Barrington shingle** With its warm tones of gold, cream and ochre, this shingle complements the colour of the flagstones and brick pavers within the Kitchen Garden range. It is ideally suited for use in borders, paths and driveways.

*Shingle size: 10mm and 20mm*
