

Instructions for wear checks of play equipment

The equipment must be checked for correct operation and safety, especially the points listed below:

Proof of maintenance

Playground

Date of installation

Checks depend on the kind of equipment. Any equipment with moving parts must be checked at least twice a year, static equipment at least once a year.

Intervals for maintenance work and checks generally depend on:

- location
- kind of use
- frequency of use
- possible vandalism

For more details see also „General instructions for maintenance of playgrounds“.

Big Pyramid Tower
Order No. 3.43000

Wooden parts

1. Check for rot and if necessary, smooth out splinters and round off sharp edges of cracks. ☐
2. Check that all bolts and screws are tight and retighten if necessary ☐
