INTO PLAY...

...and let their imagination
RUN WILD!

>> Creating an inspiring environment IS CHILD'S PLAY TO US...

Whatever the budget, big or small, our focus is the same: to create a much loved outdoor environment that is stimulating and safe for the young people that use it.

>> LET US HELP YOU CREATE YOURS!

We deliver a personal approach that has never failed to bring our customers the best results. By developing close-working relationships at an early stage, we are better equipped to go that extra mile in understanding what your individual requirements are, and meeting them. In addition to this, our educationally-savvy national sales force works alongside our innovative R&D department, enhancing our natural ability to advise, design and create environments that are richly resourced with play and learning materials for children.

>> WHAT WE DO

As a major supplier of playground equipment, Sovereign Play Equipment has successfully completed over 10,000 projects that provide enjoyment to more than two million children every year.

We offer a wide range of imaginative play equipment and facilities, designed for children of all ages and capabilities, ensuring the highest level of safety with maximum play value.

Sovereign provides a comprehensive and flexible service and a one-stop shop for every outdoor play and learning requirement. We manage the whole process from design and manufacture to installation and after sales support.

"Sovereign listened very carefully and really understood the needs of the children. They were very flexible and efficient, coming up with creative ideas about how to adapt equipment in a cost effective way. I would definitely recommend them."

Jane Herring, Head Teacher of Springside
with Hamer Learning Community

» SECONDARY

"We are delighted with the new installation, and Sovereign was very good to work with. They listened to what we wanted and worked hard to supply the ideal solution for the school."

Mr Steve Jordan, Site Manager, Mount Grace Middle School

» LOCAL AUTHORITY

Play Area »

"These improvements have made a valuable contribution to the area, and the safety surface graphics, themed to match the style of equipment, are the best we have seen so far in Elmbridge."

Philip Robinson, Senior Parks Development Officer for Elmbridge Borough Council

» COMMERCIAL

"The best thing is seeing the children's faces light up when they first see it. I had complete trust in Sovereign. They did a fabulous job. I have been in business for 25 years and I have never dealt with a more professional company than this one. They are the complete package."

Mark Cane, owner of The Garrison Arms Public House

» RESIDENTIAL

 Captain Mannering with Wetpour

“Thank you for your help
 throughout and much appreciated.
 We are delighted with the end result
 plus we have been grateful for the
 excellent service we have received.”

Mr & Mrs Phillips

» HIERARCHY ACCOUNTS

“We chose Sovereign from a number of other manufacturers
 because we were impressed with their product and
 their ideas, and we weren’t disappointed. The result is a
 phenomenal facility that the children and young people
 absolutely love – and play times are so much better.”

Naomi Thompson, Head of Key stages at Endeavor Academy.

» CASE STUDIES

Lyncrest Primary school, Northampton

After winning Sports England funding, this primary school has been able to transform its small playground into a colourful and practical active play zone for children. Boasting multiple sports and games, it can be used during break times, sports lessons and sports clubs.

Springfield Community Special School, Leek, Staffordshire

Catering for children with special educational needs, this school required a major specialised project to help improve its outdoor learning environment for pupils. It was essential that the new facilities were visually appealing and would promote play in a safe and secure environment, giving each child the opportunity to take risks safely.

Townsend Touring Park

"The play facility now defines the area. Visitors say it has enhanced their experience. I found Sovereign very professional and helpful. I liked the way they were able to answer all my questions in the beginning. I am always recommending them to people."

Su Smith, Owner of Townsend Farm and Touring Park

Northampton High School Hardingstone, Northamptonshire

The new outdoor environment at this school has transformed the way its pupils play and learn. Complete with adventure equipment and a sports court, an assortment of activity panels and two separate seating areas, this is a flexible space with many options for everyone.

» NO MONEY? NO PROBLEM...

No matter how important you know the provision of play equipment to be, having no funds means no playground!

WE CAN HELP YOU!

Here at Sovereign we have a proven track record in helping clients win grant applications and even help source finance options to ensure that today's children benefit from that all important playground and the right to play.

Call us now and let the fun begin!

If you would like a PTA or friends group to get involved, or even look for funding yourselves, our comprehensive funding guide features help on how to fill in that all important application form and provides a full list of potential grant providers. Call now for your free copy.

If the children are fundraising for their own equipment or the PTA needs a little help along the way – call us to request a free fundraising totaliser and watch your fundraising take off..

» TESTIMONIALS

"The sales during the summer months have increased by 30% and even during the milder months, families still use the play area as they can enjoy their food and drink whilst watching the kids play. This has been a brilliant investment for the pub and offers our regular customers a much more family orientated environment."

Alan Williams, landlord, The Philadelphia

"What a fantastic job Sovereign have done in designing and building our new playground equipment. The whole process has been entirely smooth and the results are amazing. The children adore it that much I think we may be back sooner than we thought! Thank you from me and all the children."

Jonathan Whitfield, Headteacher, Woodingdean Primary

"The new outdoor spaces have transformed the way our girls play and learn. We now have comfortable and practical places where we can work in and learn about the environment. The playground spaces now provide an array of options and we appreciate the flexibility that comes from having the option to use play spaces for other activities such as sport or group reading sessions."

Ross Urquhart, Head of Junior School at Northampton High School

"From start to finish, it has been a pleasure working with Sovereign to create a wonderful new playground. Since the completion of the installation, the children have loved playing on their playground and playtimes, and lunchtimes are calmer, safer and happier."

Martin Lumb, Head Teacher, Hunslet Carr Primary School
