

# Boundary Road Play

CLIENT: Rushcliffe Borough Council  
ADDRESS: Boundary Road, West Bridgford,  
Nottinghamshire, NG2  
BUDGET: £120,000  
AGE RANGE: All Ages

*"The finished play area has surpassed my expectations with the community taking the area to their hearts which is constantly packed with children, teenagers and parents all enjoying the facility".*

*Derek Hayden, Play Officer, Rushcliffe BC*

## THE CHALLENGE:

Rushcliffe Borough Council wanted to refurbish the existing play area for 0-12 years. The site itself is situated in a large open field, providing great opportunities to adapt the play area. Existing facilities for teenagers had already been installed in the form of a shelter and cycle ramps. The area was in dire need for refurbishment, especially as a local preschool is located nearby.

## THE SOLUTION:

Proludic were chosen to undertake the project. The Council wanted the site to be wetpour surfaced, Proludic incorporated theming and unique design features to liven it up. The main feature of the site is a large mound with stepping stones, boulders and a bespoke, built in climbing wall. This adds a natural feel, is unusual and exciting for the children. Other equipment incorporated in the design is a Gyro Spiral, Seesaw, Speed Gyro, themed Springers, a Cableway and a Pod Swing. The Kanope multi-play units take inspiration from nature and trees. The trim trials around the outside offer balancing and coordination challenges.
