

**Proludic**<sup>®</sup>  
play and sports areas

# Graphic Games

*Creating innovative playgrounds*

Launched in 2011 it allows distinctive design finishes to be applied to our equipment ranges – giving a unique graphic finish. **Available in 6 styles:**

Grafic

Amazon

Medieval

Etnik

Metropolis

Océane

## The benefits

- Personalise your playground to local history or culture
- Increase the play value of the equipment with themed play panels
- Develop different looks within the same theme

Proludic have an experienced team of seven designers who are available to meet with clients to create and design completely bespoke structures that are not available in our catalogue.

1. Understanding your needs

2. Creating your design

3. Seeking your approval

4. Contract Management

5. Handover and aftersales
