

Outdoor Furniture

Hadham

Branson Leisure steel furniture is designed not only to be functional and elegant, but is also immensely strong and therefore highly vandal resistant. The 100% steel construction is available with a choice of three finishes:

- Polyester coated
- Galvanised
- Polyester coating on galvanised

Colour shown is Green RAL 6005.

The Hadham range consists of two standard sizes of backless benches. Versions are available with both pedestal legs, (shown) and extended post legs (for concreting in).

The weight and strength of the Hadham makes it particularly suitable for situations where there may be a risk of either theft or vandalism.

The Hadham is available in two standard lengths, 150cm and 180cm.

For coastal regions where a high salt element is present in the atmosphere, a galvanised finish is recommended.

As all our furniture is built to order, it is possible to vary the size and colour from the standard specification. We would be pleased to quote for any special requirements.

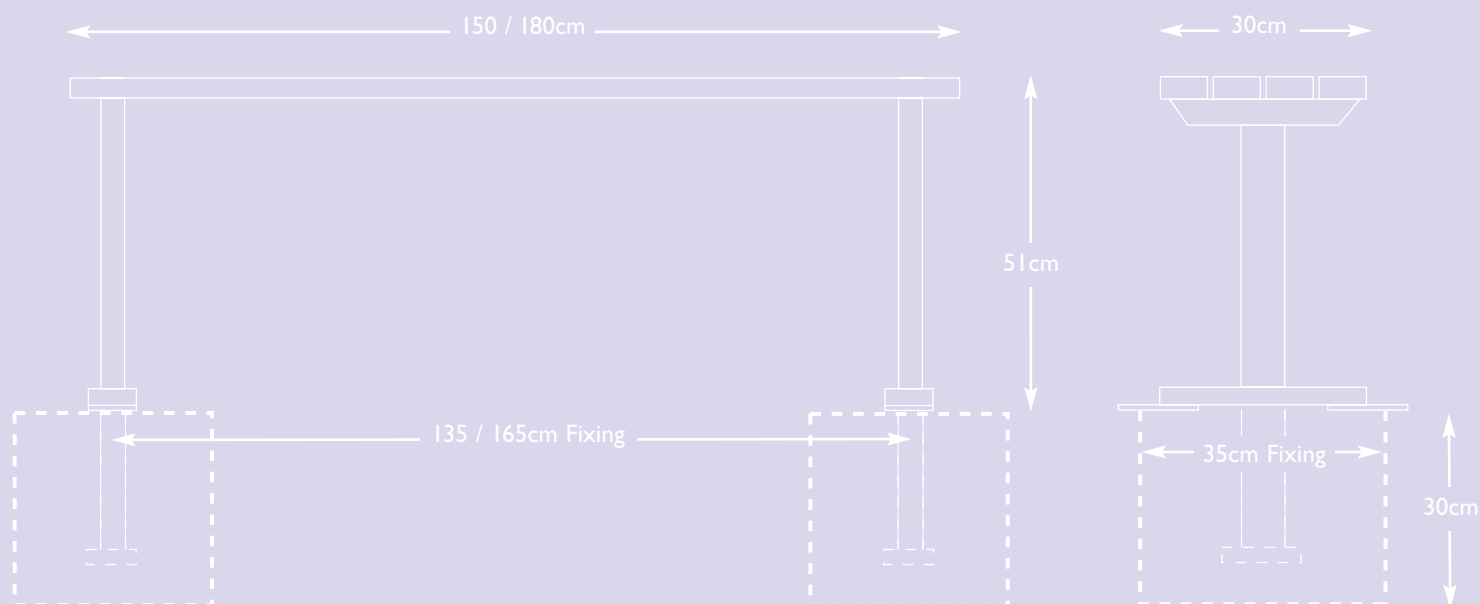

BRANSON
leisure

Colour shown is Black RAL 9005.
