

Kimpton

Outdoor Furniture

Branson Leisure steel furniture is designed not only to be functional and elegant, but is also immensely strong and therefore highly vandal resistant. The 100% steel construction is available with a choice of three finishes:

- Polyester coated
- Galvanised
- Polyester coating on galvanised

The Kimpton is a traditionally designed 'A' frame picnic suite giving the versatility of seating and integrated table.

This unit is equally suited to pub or country park and due to its weight and strength will resist theft and vandalism.

The Kimpton is available in two standard lengths, 150cm and 180cm

Colour shown is Blue RAL 5017.

For coastal regions where a high salt element is present in the atmosphere, a galvanised finish is recommended.

As all our furniture is built to order, it is possible to vary the size and colour from the standard specification. We would be pleased to quote for any special requirements.
