

Cabuchon® Bathforms

Seven reasons to choose a bath made from Ficore® composite:

First material ever designed specifically for baths, in 1984.

Independently tested to meet standards applicable in its markets.

Composite, not laminated or bonded, cannot disintegrate.

Outstanding durability.

Resistant to thermal shock.

Exceptional heat retention beyond other bath materials.

® To protect against copies made in inferior materials.

Each **FIGORE** bath comes with our 25 year Guarantee.
