302 Macipump 300	6090	2846	3426
300 Macipump 300	6391	3293	3873
300 Macipump 350	8283	3419	3999
402 Macipump 402	12970	5210	5790
400 Macipump 400	14417	6590	7170

CONDITIONS OF EXCHANGE SERVICE:

Only applicable to the above Macipumps, in standard materials of construction.

Equipment serial number, site location and impeller size must be advised with order.

Equipment must be accessible by Haigh Hiab (Crane reach both horizontally and vertically to be within 1.5m) with free access to the equipment upon arrival. Client must have a representative on site to organise access and to assist in locating the Macipump and motor during removal / installation

Macipump for exchange must be the complete unit and ready for collection.

Offer assumes existing Macipump motor and coupling are in good working order and can be reused.

Existing motor cables are long enough to allow motor to be lifted off and positioned on the floor locally to be re-installed onto the exchange Macipump.

Finish will be Haigh standard paint system.

Exchange Macipump is guaranteed for twelve months against faulty materials or workmanship.
