

showers

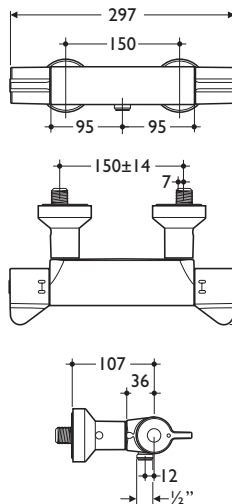

contour 21 shower & bath shower mixers

A stylish wall mounted exposed thermostatic fail safe shower with built-in safety stop feature. Small lever operated.

Suitable for balanced high pressure systems. Ease of installation with variable centres and unique maximum hot supply temperature override for safe thermal disinfection.

Clear hot/cold indices that will not wear off through use or cleaning.

- Domestic and commercial use
- Automatic shut off if hot or cold supply fails
- DDA compliant
- Sealed wall escutcheons
- Hose handset or fixed head available separately

- Wall mounted thermostatic shower mixer
