

brassware

sensorflow 21 electronic spout

A range of compact water saving vandal resistant sensor operated brassware.

Demand for hygiene and water saving is met by a range of "hands free" electronic taps, second to none.

Automatic shut off if sensor is obstructed for prolonged period.

- Commercial use
- Hygienic "no touch operation"
- DDA compliant
- Water saving
- Modern, no moving parts
- Mains (transformed) supply or battery

Illustrated

A4171AA Sensorflow 21 electronic spout, integral sensor, non mixing, chromium plated - mains

Weight

1.8kg
