

SKALAR

The Skalar Customer Support Team

With over thirty years of experience in manufacturing analyzers for the laboratory and process industry, the Skalar ISO 9001 organization, has grown into an international operating organization which is daily focussed on providing the best support to both existing customers and potential users.

Modern communication tools allow fast information exchange world wide, below is a listing of key-personnel in the customer support staff which can be contacted directly. We look forward to being of service to you.
