

# Musical islands

snug activity card 8

A class had been working in four groups to compose music on the themes inspired by a story. Having practiced their compositions, they went outside and created sets from which they performed their pieces to the others in the class.

## Extensions:

- Ask children to describe the sets they've built before starting their performance
- Look at video footage of music performed on a set - e.g. music theatre or opera

## Learning links

- Music - composition and performance
- Drama - Group discussion
